

SESSION 3 – 14:00-15:30  
GUIDELINES FOR PREDICTABLE  
AESTHETICS

**Aesthetic challenges and solutions**

*Dr Andrew Ackermann* (Private practice, Johannesburg, South Africa)

**The 1-2-3-rule for enhanced aesthetics with Co-axis® and Zirconia**

*Dr Safa Tahmasebi* (Private practice, Dubai, UAE) & *Dr Costas Nikolopoulos* (Brånemark Osseointegration Center Dubai, UAE)

COFFEE BREAK – 15:30-16:00

SESSION 4 – 16:00-17:30  
CLINICAL GUIDELINES AND INNOVATIONS

**The 10 commandments of the MAX® implant for predictable immediate placement**

*Dr André Hattingh* (Periodontal practice, Sevenoaks, UK)

**The audience's opinion - interactive voting**

*Prof Dr Hugo De Bruyn* (Ghent University, Belgium) & *Mr Graham Blackbeard* (Southern Implants, Irene, South Africa)

SPIRIT OF AFRICA – 17:30-19:00  
MINGLE WITH YOUR PEERS

**Conference fee: €350**

Please send an email to [ntugent@ugent.be](mailto:ntugent@ugent.be) to register, and you will receive a notification email with information for international payment by credit card and related information. Registration is final after payment.

HOW TO GET THERE

**BY CAR:** Ghent is situated at the intersection of two major European highways: the E-17 connects Northern Europe with the Southern countries, and the E-40 goes from the North Sea up to Eastern Europe.

**BY TRAIN:** Ghent is easily accessible from all Belgian and European cities and only half an hour away from Brussels Midi Station. Thanks to the high speed trains, Eurostar and Thalys, Ghent is only two hours away from Paris and less than three hours from London, Amsterdam and Cologne.

**BY AIR:** Ghent is only 45 minutes away from Brussels Airport, which has flights from over 70 international destinations, operated by more than 140 international and regional airline companies. The other Belgian Airports (Ostend, Antwerp, Liège and Charleroi) serve several European destinations and have easy and direct connections to Ghent.

New protocols for  
effective, innovative

Dare to Simplify

International Conference and Users Day  
Ghent University

**9**  
MARCH

PRE-CONFERENCE:  
ADVANCED IMPLANTOLOGY  
COURSE WITH LIVE SURGERY  
12:00-18:30

## DARE TO SIMPLIFY ... AND OPERATE

**Dental School, Ghent University Hospital  
De Pintelaan 185, Blok P8**

The Department Periodontology, Oral Implantology, Removable and Implant Prosthodontics of Ghent University invites you for a live surgery course with focus on implant placement in extraction sockets, compromised maxillae and aesthetically demanding conditions. Angled implants, wide body implants, short implants ... all offer significant advantages in implant dentistry to overcome anatomical constraints. The use of these implants reduces the need for bone grafting, simplifies and shortens treatment time and is cost-beneficial. The course combines theory with live surgery. There will be plenty of opportunities to ask questions during and after surgery, so you can learn all the tips and tricks from Prof Dr Hugo De Bruyn and his team. Attendance is limited to 40.

**Price:** €250,00 (ex. 21% VAT).  
Registration by email: [ntugent@ugent.be](mailto:ntugent@ugent.be)

Participants will receive a notification for credit card payment. Registration is finalized after payment. The course will be offered in English.

Participants can attend the full-day Conference "Dare to Simplify" on March 10 in Ghent at a reduced rate of €300.
